

USTON WHOLESALE MARKET

WAS QUIET WITH
A LIMITED MOVEMENT.

and Hams Have Made Ad-
-Rope Is Higher—Arrivals
of New Corn.

Wholesale market yesterday was
quiet. The movement was con-
siderable in the fruit and a very
small commodity in the trade.

In apples, sundries, are averaging
advance. Extra short clear bacon
is up 10c, and bellies are

in hard, both compound and leaf,
raised 10c.

There has been an increase of 10c on
for standard hams.

and of bananas was unloaded and
the quality of stocks on hand.

of Florida tomatoes in ex-
cess and will relieve a depleted
of stocks.

advance has taken place on rope.
sail has been moved up 10c
has been advanced 10c.

home products experienced an
advance. Extra short clear bacon
is up 10c, and bellies are

in berries is still very much
by the softness of the stock
to hand. Prices cover about
range as formerly and are very
used by quality.

of shipment of the season of new
has been received in the market. It
in the vicinity of Valencia and
and maturity. The supply was
then up and brought fancy prices.

from Santa Ana, Cal., state
regarding the apricot crop, this
is conflicting, but the consensus
is that it will be short. J. N.

of these quotations shows
advantages to favor of Houston as a
market. When the buyer consid-
erably to be derived from Hou-
sington he will find that even
the quotable figures at other mar-
kets are higher than those at
Houston. The prices are those re-
ported by Houston wholesale merchants.
The revised daily.
